

Product Change Notice (PCN)

Subject: Addition of a final test factory for RAJ306001GNP#HA1, RAJ306001GNP#HAM and RAJ306010GNP#HA1.

Publication Date: 10/17/2023

Effective Date: 1/22/2024

Revision Description:

Initial Release

Description of Change:

Renesas will add ASECL as a final test factory for the products listed below in addition to the conventional KYEC. In addition, ASECL uses ASECL's standard packaging materials for packaging. Please refer to Appendix A for details.

Please note that we will start shipping this additional specification from January 2024 shipments. From January 2024, in addition to the conventional specifications (final testing and packaging performed by KYEC), we will also deliver products that have undergone final testing and packaging at ASECL.

Affected Product List:

RAJ306001GNP#HA1	RAJ306001GNP#HAM	RAJ306010GNP#HA1	

Reason for Change:

Due to concerns about a lack of capacity on the KYEC final test line currently in production.

Impact on Fit, Form, Function, Quality & Reliability:

There is no impact on implementation, functionality, quality and reliability.

Product Identification:

It can be identified by the appearance of the inner box. Please also see Appendix-A

Qualification Status: N/A

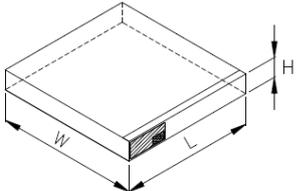

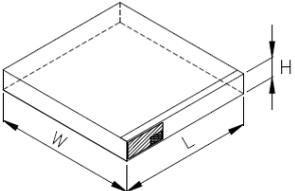

Sample Availability Date: N/A

Device Material Declaration: Available upon request

- Note:
1. Acknowledgement must be received by Renesas within 30 days or Renesas will consider the change as approved.
 2. If timely acknowledgement is provided by Customer, then Customer shall have 90 days from the date of receipt of this PCN to make any objections to this PCN. If Customer fails to make objections to this PCN within 90 days of the receipt of the PCN then Renesas will consider the PCN changes as approved.
 3. If customer cannot accept the PCN then customer must provide Renesas with a last time buy demand and purchase order.

For additional information regarding this notice, please contact your Renesas sales representative.
