Revisions to User's Manual for Data Flash Library Type04 for the RL78 Family, Released in Japan and Intended for Use in Japan and Other Asian Countries

The user's manual for Data Flash Library Type04 for the RL78 Family, released in Japan and intended for use in Japan and other Asian countries will be revised from Rev. 1.04 to Rev. 1.05.

1. Applicable User's Manual

Title: RL78 Family Data Flash Library Type04 Japanese Release

Document number: R01US0049EJ0104

2. Descriptions of Revision

2.1 Document Number

The document number after the revision will be as follows:

Document number: R01US0049EJ0105

2.2 Revisions

Added notes and modified erroneous descriptions.

For details, see "APPENDIX A REVISION HISTORY" in the User's Manual.

3. Obtaining the Revised Document

Download the document from the web through the following steps (the new file will be posted on February 5).

(1) Visit the web site at:

https://www.renesas.com/data_flash_document

(2) Click on the link with the label below to download the file.

Title: RL78 Family Data Flash Library Type04 User's Manual

4. Supplement

With the revision of the User's Manual, the zip file for the Data Flash Library will be revised as follows.

New zip file name: JP_R_FDL_RL78_T04_V1.05_B_E.zip

(the new file will be posted on February 5)

Old zip file name: JP_R_FDL_RL78_T04_V1.05_A_E.zip

The only changes to the zip file are the revised User's Manual and its release note. The Data Flash Library itself within the zip file will not be revised.

Obtain the zip file for the Data Flash Library through the following steps.

(1) Visit the web site at:

https://www.renesas.com/data_flash_download

A list of Data Flash Libraries will be displayed.

(2) Find the following product name in the list:

Data Flash Library Type04 for the RL78 Family Ver.1.05

(3) Click on the hyperlink with that product name.

(4) Read through the AGREEMENT and click on "Agree".

(5) Download the revised product from the Download page.
